## ENID MAY JACKSON IN "TEA FOR THREE"

Will Appear Here With Troupe in  
Clever American Comedy on  
February Third.

The good fortune of being one of the first to see Enid May Jackson in her recently inaugurated road tour venture, "Tea for Three," is Cheney's Saturday, February 3. Miss Jackson is blazing a trail with "Tea for Three," a smart American comedy by Roi Cooper Myrne. This play won great applause when given by Hackett in Spokane. Miss Jackson's presentation last Saturday at the Auditorium theater, Spokane, was most enthusiastically received.

It is Miss Jackson's plan to acquaint the northwestern towns with the merits of her group of players, so that return engagements in other suitable plays will be desired. In this way she hopes to contribute personally to the establishment of permanent interest in the artistic life of the community. It is a genuine artistic treat for us, and a privilege to be able to be active in encouraging such an undertaking as Miss Jackson sponsors.

The Enid May Jackson company brings its own stage settings, properties, etc. Saturday, February 3, Normal school auditorium.

## DREAM SHOP TO BE RESTAGED FEBRUARY 2

New Songs and Lines to Add Zest.—  
Many Requests for Repetition  
Are Made.

"The Shop of a Thousand Dreams" will be restaged in the Normal auditorium, February 2, under the auspices of the Normal Junior Chautauqua.

Requests have come to Miss Virginia Dickinson from many persons who were unable to attend the first performance for a repetition of the musical comedy. During the evening of the first production many persons were obliged to attend lodge meetings, three of which conflicted with the "Shop of a Thousand Dreams."

Changes will be made in many of the lines and songs to add zest and interest for those persons who come to see it for the second time.

"The Shop of a Thousand Dreams" is said to be unique among the affairs of its kind given in the Normal school. Stage effects unlike any ever used before created an atmosphere of vivid coloring and imagery that attracted widespread comment.

Members of the faculty and students have been unanimous in their terms of approbation and many have expressed a desire to see it again.

A feature of the new presentation will be a very modern and most original "Freudian" interpretation of a certain very famous dream. Several new stage settings will also be employed.

Tickets will be on sale immediately and the admission price has been reduced.

## SOPRANO TO APPEAR ON LYCEUM PROGRAM

Ethelynde Smith, soprano of distinguished reputation, will appear on the Normal lyceum program the evening of February 23.

Miss Smith has achieved favorable comment from many sources during her tour from Maine to California. She has given song recitals in more than 40 colleges and has appeared on the programs of numerous clubs. She has also been a soloist with many choral organizations, at music festivals and with symphony orchestras.

Advance press notices speak very favorably of the artist. Theo Fisher, in the Evening Telegraph of Colorado Springs, says:

"Everything the recitalist essayed was characterized by ease of tone production, sure and ample breath control, exact pitch, and clear enunciation. Her middle and upper tones were particularly agreeable, being of crystalline clearness and lovely quality. 'Depuis le Jour' from the opera 'Louise' was entirely satisfying."

Miss Smith, according to reports, gives a varied program, having in her repertoire a well-chosen program of Italian, old and modern French and American songs.

This will be the second lyceum number for the winter quarter.

## BALANCED VICTORY FOR TOURING TEAM

Lefevre Makes Record Number of  
Field Baskets—Jayne Sterling  
Guard.

By Dean Killgore, Sport Editor

Coach Eustis' Normal school basketball team won one and lost one Normal school conference game last week. They won from Ellensburg by an overwhelming score of 42 to 28, but lost to Bellingham Normal, 20 to 16.

The Normal drew first blood in the Ellensburg game when Lefevre scored from the center of the floor in the first minute of play. Miller made the next basket. Ellensburg rang up three field goals and two free throws. Lefevre then caged four more in succession from the center of the floor and from that time the Normal never lost the lead. With each added score by the Normal, the Ellensburg men became rougher; before the half ended football tactics were more in evidence than basketball. Ellensburg's combination of football and basketball was no match for the brand of ball the Normal men were playing, and the game ended with the Red and White in the lead.

Lefevre, with eight field goals, was the star of the game. Miller made seven field goals and then added six more points on free throws. Jayne played an exceptional game at guard. F. Robinson was high man for Ellensburg with 15 points. Moore was unable to play on account of injuries received at Pullman during the Normal-Frosh game.

Lineup and summary:

Normal (42) Ellensburg (28)  
Miller (20) .....LF J. Robinson (4)  
Lefevre (16) .....RF.....Wirth (4)  
Snyder (4) .....C F. Robinson (15)  
Jayne .....LG.....Fowler  
Wynstra (2) .....RG.....Walstron (2)

Substitutions: Ellensburg—Healy for J. Robinson, Barnes for Fowler, Fogarty for Walstron.

## RED AND WHITE LOSES TO BELLINGHAM VETS

Difficulty in Locating Basket Slows  
Up First Half.—Second Half is  
Exciting.

Bellingham's Blue and White basketball cagers played a clean game, but the first half was slowed up by the inability of either team to locate the basket. The Normal was unable to register a single field goal during the first half, their only scores being made by Miller on free throws. The score at the end of the initial period was 8 to 2 in favor of Bellingham.

Both teams came back strong in the second half and the Normal men rapidly gained on their opponents until Bellingham had only a two-point lead, the score being 14 to 12. From this point on the scoring alternated with Bellingham maintaining her two-point lead, until the last minute of play, when Vanderford made his fifth field goal, putting his team four points in the lead. The game ended with Bellingham leading, 20 to 16.

Miller was high point man for the Normal with 12 points, while Vanderford gathered an equal number for Bellingham. Jayne played his usual sterling game at guard.

Lineup and summary:

Normal (16) Bellingham (20)  
Miller (12) .....LF.....Thomas (4)  
Lefevre (2) .....RF Vanderford (12)  
Snyder (2) .....C.....O. Hoggatt (2)  
Jayne .....LG.....Keplinger  
Wynstra .....RG.....Dawson (2)  
Substitutions: Bellingham—C. Hoggatt for O. Hoggatt.

## Team Returns

The team returned to Cheney yesterday after spending eight days on the coast trip. During this time they played three athletic club teams and the two State Normal schools.

## Interested in Oil?

An opportunity for college men to invest their savings is being offered by a well-known Texas oil syndicate engineer where a little money is almost sure to return an income for life and may make you a fortune in a short time.

The reason given for this man's attentions to a certain member of the faculty is the fact that they are both college men. We haven't a full confession from Mr. Kingston as to his ambitions in the oil business, but from the ring of his voice and the glint of his eye as he read the letter to the sociology class, the school need not be surprised at any time if we lose our vice president to the ranks of the fortune hunters.

## NORMAL CHAUTAUQUA WILL APPEAR SOON

Miss Virginia Dickinson to Direct  
Work of Strolling Players. —  
Original Repertoire Planned.

Normal Junior Chautauqua is the name of the new "strolling players" organization which has just been formed on the Normal campus. Miss Virginia Dickinson is the director of the new group, which plans to make week-end tours of neighboring small towns and present programs.

"We are organized on a purely business basis," said Miss Dickinson, "and our group will be limited to five members, whose names will be announced in next week's Journal. We intend to develop a versatile repertoire of one-act plays and original and unusual readings. Our group will also include one singer and pianist. While I am not prepared to announce the members of the organization today, I believe they include some of the most representative talent in the Normal school."

The idea of a Normal chautauqua is not new. Three years ago a group of students under the direction of George Leslie Farnham, former instructor in dramatics, frequently gave programs in adjoining towns.

Systematic organization of repertoire and dates are being scheduled and will probably be announced soon, according to the director.

## THE THREE BUCKAROOS SOMETHING DIFFERENT

"The Three Buckaroos," the comedy selected for Friday night, January 26, received the unanimous vote of the entire student committee when films were selected for the winter quarter.

It is said to be a "riot of action, love and red blood." It is a comedy-drama of the western range. Alexander Duma's story, "The Three Musketeers," has been filmed a number of times in the last few years. Fred Balshofer has lifted the plot in part and taken certain liberties with it for the purpose of making an altogether highly western comedy-drama.

He has succeeded in injecting all of the bravado and intrepid spirit of the hero of Duma's tale into a fighting ranger of the Golden West. He has made the characters human, living, loving, hating, fighting, scheming beings.

Another two-reel comedy of the Gang series will be shown.

## Committees Announced

Committees to have charge of the basketball conference which will take place in the Normal gymnasium March 2 and 3, have just been announced. They are: Ticket committee, Claude Turner, Fred Lewis, Erma Menath, Lena Eva, Blair Chenoweth; entertainment, Janet Craig, Raymond Sooy, Gordon McDonald, Stanley Wynstra, Helen Buchanan; publicity, Dean Killgore, Bob Akers, Arta Verity, Aleua Latham, Eugene Bowman; reception, Rosamond Matteson, Geraldine Guertin, Edwin Henderson, Dan Daubert and Genevieve Gubser.

We wonder if the reason so many girls have gone on a decline is the absence of the basketball team or because their respective friends can't come to the informal?

## ALUMNAE TEAM WINS FROM NORMAL TEAM

### Mary Buchanan Makes Record of Twenty-Eight Points for Visiting Team.

Alumnae basketball players upheld their championship record when they defeated the school team in the Normal gymnasium last Saturday night by a score of 30 to 27. At the end of the last half the score was 27 to 27, but in the time allotted to play off the tie Mary Buchanan made one field goal and one foul, giving the alumnae three more points, while the school team failed to add to their score.

Mary Buchanan starred for the alumnae team, making 28 of their 30 points. She is an accurate basket shooter and practically played the game for the entire visiting team. She is coaching the Colville high school girls' basketball team this year.

Verna Watson, another member of the alumnae team, is assisting Miss Buchanan, and Martha Freeland is coaching a team in the Hillyard high school.

Erma Menath, who is a rapid player, made 18 points for the school team.

Elizabeth McMillan and Leona Goff, members of the alumnae team, were unable to come. Marie Faust and Wilma Farnar substituted for them.

"Both teams made a very good showing," said Miss Antoinette Dustin, coach of the school team. "The game was marked by rapid playing and very good teamwork, but the alumnae girls were too heavy for the school team. I think we have a very good chance to win the first conference game, which will be played with Spokane college in our gymnasium February 2."

Miss Dustin refereed the game.

The lineup:

Normal (27)—Erma Menath, right forward; Katherine Bentley, left forward; Myrtle Spinning, center; Rowena Nance, side center; Elizabeth Babcock, right guard; Arta Verity, left guard.

Alumnae (30)—Marie Faust, right forward; Mary Buchanan, left forward; Verna Watson, center; Anne Murry Dickinson, side center; Wilma Farnar, right guard; Martha Freeland, left guard.

## TYLER WANTS MORE MEN

More Second Team Men Needed to Fill Dates, According to the Coach.

Tonight the Normal second team will play Malden high school at Malden. Coach Tyler will take eight men with him, but does not know

definitely who will be taken. It is probable that Bowman, Read, H. Davis, Chenoweth, Kienholz and three yet to be chosen will make the trip.

Mr. Tyler would like to see more men out, he says, as he has had to turn down games because there were not enough out for two teams. Men should be attracted to this sport, as the second team will make a trip to St. Maries, Mullan and other north Idaho towns in the near future. Several good trips are lined up for February, also.

## BETTER TOURNAMENT PLANNED FOR 1923

Committee Adopts Slogan—Plans to Sell Five Hundred Tickets Before Opening Game.

"A bigger and better tournament than ever," is the slogan of the committee in charge of the third annual intercholastic basketball tournament to be held here the first two days of March. County high school champions from eight counties in Washington and two counties in Idaho will play for the Inland Empire championship. Washington counties to be represented are Adams, Lincoln, Stevens, Whitman, Spokane, Grant, Walla Walla and Asotin. Kootenai and Shoshone counties in Idaho will be represented.

With 10 teams in the tournament there will be 11 games in the series. It is planned to pick the best loser in the first two rounds and give them another chance, for by so doing no team will have the advantage of drawing a "bye" and resting while the others must play. Plans are under way to start the sale of season tickets about February 1, and the committee in charge hope to sell at least 500 before the tournament starts, it is said.

## NORMALS ESTABLISH ENROLMENT RECORD

More Than Two Thousand Men and Women Attend State Normal Schools.

All attendance records for fall and winter quarters at the State Normal schools of Washington were broken this year by a great increase in the number of men and women students enrolled in the schools at Cheney, Ellensburg and Bellingham.

Bellingham heads the list with an enrolment of 1,069 students since the fall quarter opened in September. Of this number 145 are men. Cheney is second with a total enrolment since September of 701 students, of which 109 are men. Ellensburg's enrolment is 535, which is double that of three years ago. Eighty-five of these are men.

## Propaganda

A prominent member of the Senior A class has recently sent a communication to this department in which she emphatically denies the willingness of the Senior A's to have any of their activities, hostile or otherwise, relegated to the "Graveyard Column." Verbatim excerpt follows:

"In fact, the class is making active preparation to leave such a strong impression that the words 'Gone But Not Forgotten' may in all accuracy be inscribed upon 'our' tombstone. The student body will soon witness the sight of Theo Miller leading his 30 school ma'ams in a series of yells, with T. H. Matthews lending volume to the outburst."

All of which sounds "tornadic," as the traditional and time-honored Senior A propaganda, n'est pas?

## Lynden Athletic Club Defeated

Lynden Athletic club was trounced by the Normal basketball team Monday night by a score of 26 to 19. The

game was clean and fast and honors were even at the end of the first half, with a score of 11 all.

Miller upheld his reputation for scoring by making 12 points for the Normal. Snyder received a painful foot injury, but it has not proved serious. Moore was unable to play as a result of injuries received a week ago.

### TRAINING SCHOOL

Dear Readers of the Journal:

Would you not be interested to hear each week from the children of the Training school? We would like to tell you about the things we do, for so few of you stay with us long enough to know all that is going on. We are not among the Journal's "willful missing," for we enjoy writing about our school programs, our camp fire groups and our geography projects.

Just this week the fifth grade girls organized a club called "The Blue Birds." Each initiate already knows the names of 30 birds and is going to spend much time during the spring days recording from personal observation notes on the raising of a family of birds.

Perhaps you know that we have two active campfires, too. The sixth grade girl join the Li-o-we-la campfire. All seventh and eighth grade girls may belong to the Chi-wah group. Miss Ruby Clements is the assistant guardian of this campfire.

Last Friday the sixth grade gave a splendid musicale to which the fifth grade was invited. This was given under the direction of Mrs. Grace Hulscher and Miss Lydia Raymond. Those who took part in the program were Trist Davis, Frances Trask, Elizabeth Preston and Helen Jensen.

The seven A class, with Miss Jessie Duff for manager, held a state fair

last Wednesday. They were pleased that so many Normal students attended.

Edward Rothrock of Pine View, Wash., has entered the seventh grade.

We would like to have another opportunity to see the musical extravaganza, "The Shop of a Thousand Dreams." The last time that this was given "Timothy's Quest" was a counter attraction, so that we could not attend both. We could enjoy those pleasant jokes on the teachers and we would like to see those beautiful scenic effects which we have heard so much talked about.

Your friends,  
Training School Children

### SENIOR HALL

Miss Helen Campbell of Sandpoint, Ida., was the guest of her sister, Hazel Campbell, Thursday and Friday of this week.

Alice Sexton and Laura Karn entertained the members of the Art club at dinner at Monroe Hall Thursday night. Favors were in yellow and white.

### DR. TIEJE CHAIRMAN OF ENGLISH COMMITTEE

Will Investigate Courses of English in Normal Schools.—Sends Questionnaires

Dr. Ralph E. Tieje, head of the department of languages and literature, has recently been appointed chairman of a committee of the Inland Empire Teachers of English council, organized for the purpose of investigating the courses of required work in grammar and English composition in Normal schools and formulating suggestions for standardization.

"This year we will make a report on the required hours in grammar and composition, the nature of the courses and similar information, soliciting a preliminary report on status," said Dr. Tieje.

The questionnaire requesting this information will be sent to the three Washington Normal schools, the Oregon Normal at Monmouth, the Lewiston and Albion Normals in Idaho and the Normal at Dillon, Mont.

Dr. Tieje is an ex-president of the executive committee of the Inland Empire English Teachers' Council.

## MISS FRANCISCO VISITS THE NORMAL

Is Experienced Camp Fire Worker.  
Has Organized Summer Camp  
at Coeur d'Alene.

Miss Annette Francisco, executive secretary of the Spokane Campfire organizations, aroused much enthusiasm among the girls of the Normal during her visit here. Many girls have wondered what must be done in order to become a leader in this work, and Miss Francisco told them how they might promote the growth of active campfire spirit in the Inland Empire. She is most earnestly enthusiastic and that "light which has been given to her" she succeeds in passing on undiminished to others.

Miss Francisco first became interested in campfire work while living in Missouri. Her sister is at present an executive secretary there. Her work in the campfire in Spokane began in 1920. At that time Miss Francisco was an instructor in the foreign language department of the North Central high school. The first Spokane grand council fire was held by her March 3, 1922, at the Lewis and Clark high school. Since that time campfire groups have increased in number from 12 to 50 groups. There are also 10 Bluebird flocks. There are over 1000 Campfire Girls in the Inland Empire.

Through Miss Francisco's untiring efforts, permanent campfire grounds were bought on Mica bay, Coeur d'Alene lake. This camp is open every summer to every Campfire Girl in the Inland Empire. Plans are now under way for the building of a large assembly hall to consist of a dining room, kitchen and individual suites.

Miss Francisco is a member of the president's council, which consists of the presidents of all well-known women's organizations in Spokane. Her office is in the Chamber of Commerce building. All campfire supplies may be obtained from her there. She encouraged all girls to visit her in Spokane, so as to become acquainted with the work that the girls are doing.

## DEBATERS PRESENTED IN STUDENT ASSEMBLY

Exhibit Cup Which Will Be Presented  
to Winner of Normal School  
Debate Conference.

Members of the Normal school debate teams were presented to the student body during student assembly Tuesday morning.

Doctor Ralph E. Tije, coach, discussed debating as an all-school activity and sketched its history in the Normal school.

"Debating is an activity of the same character as basketball," he said, "and can only continue as such by the unanimous support of the student body."

Hazel Rayburn exhibited the Guy S. Allison cup which has been won twice by the Normal school debate team. If the Normal wins a majority of votes in the decision of the judges this year, the cup becomes the permanent possession of the institution.

Bellingham is reported to have lost every debate within the last two years, and is said to be expending a great deal of energy and interest in forensic activities this year. The coast institution is being regarded as a slightly formidable opponent this year and the Normal team anticipates keen competition.

Plans for a tag day to finance debate were discussed, also. The date of this event will be announced in the near future.

Louis J. Neidert, Robert Hungate, Marie Murphy and Ivan McCollum gave brief talks.

## JUNIORS ARE MERRY AT HARD TIMES PARTY

Wear Old Clothes But Have Luxurious  
Wall Decorations.—Cider and  
Doughnuts Served.

That they might revel together and forget their financial difficulties, the vagabonds, hayseeds, tramps and the disinherited of all that implies wealth, assembled in full force at the Junior hard times party given Friday night, January 19, in the gymnasium. Not to be deprived of (at least) thinking of the luxuries of life, the walls were adorned with advertisements of Armour's "Juicy Ham," Heinz' "Tomato Catsup," Blum's "Women's Silk Hosiery," and "Married People, at the Rose Theater."

Attired in a Turkish towel bodice and flowing skirt of barrel, Anne Leverman was awarded first prize among the girls. Glen Clarence, as a hayseed with choice decorations of Brussels carpet on his pre-war evening suit, won the boys' first prize. Geraldine Guertin and Helen Buchanan, in coveralls and immense yellow freckles, might successfully have passed as Tom Sawyer and Huckleberry Finn.

The party was clouded in mystery for one whole hour, when a couple of unknown negroes, one a lady, the other a gentleman, dared to take part in the "goings-on."

Finally, with concentrated detective work, the guilty parties were discovered, punished, and forced to make a rather hurried departure.

Blind man's buff, three deep, drop the handkerchief, army spat 'em and farmer in the dell were played with the greatest of pleasure. Mrs. Zeller and Mr. Quinn starred in the playing of army spat 'em, and it is said that Mr. Quinn has now solved the problem of reducing. Miss Martin, Junior class adviser, dressed in a hiking skirt turned inside out, a red cheesecloth shirt with tattered brown jumper and a straw hat minus the crown, journeyed about in No. 10 shoes and not only participated in all events within the gymnasium, but was very effective in bringing others to do the same. Savannah Smith and Schuyler Dart, Leta Rooks and Ernest Cash, Irene Campbell and Bob Farnsworth, Pansy Rash and Raymond Sooy were unwillingly forced to leave the back steps for brighter surroundings.

When cider and doughnuts were eaten to the satisfaction of all, the party ended at exactly 15 minutes to 11.

Committees in charge of plans for the affair were: Decorations, Mildred Quam, Fred Lewis, Rosemary Mahar, Rosamond Matteson and Edwin Henderson; refreshments, Dorothy Rauch, Wilma Farner and Elsie Lindberg; program, Leta Bostwick, Helen Buchanan, Geraldine Guertin, Clarence Jayne and Ed Howe.

### Basketball Dope

Roy Snyder and Theo Miller will probably have some explaining to do as a result of their actions while at Bellingham. It happened in this way: After the basketball game the teams were banqueted by the school. During the evening short talks were given by Coach Eustis, Clarence Jayne, Mr. Keplinger and President Waldo of the Bellingham Normal, but it seems that Snyder and Miller were much more interested in the chatter of a pair of Normal school beauties and could not remain until the end of the affair. If anyone wishes to know anything about Bellingham ask either of these fellows, for 'tis said that the girls had a Cadillac car and knew how to run it. Of course all the other fellows have promised to keep mum, but Snyder or Miller will tell anything anyone wishes to know.
